INGROWN TOE NAIL

Says Nail Turns Out Itself if You Toughen Skin

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrown nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward again after a night.

"Outgro" is a harmless, antiseptic manufactured for chemists. However, anyone can buy from the drug stores a 15¢ bottle containing directions—Adv.

## NO IRISH PEACE

Split in Irish Republican Ranks Over Convention.

Griffith's Orders Not to Meet Are Disregarded.

PLANS FOR QUIET SHATTERED

Border Situation Passes Beyond Control of Local Police.

Revolution Throat 'Free State' Impending, O'Connor Says.

(By the Associated Press.)

Dublin, March 22.—It was officially announced in the Republican organ here today that the Irish Republican army convention, the holding of which was recently forbidden by Arthur Griffith, president of the Irish Free State, would be held in Dublin Sunday as arranged. The announcement is taken here to mean that a definite split in the Republican army has come.

According to Commandant Roderick O'Connor, director of engineering of the headquarters staff of the Irish Republican army, 80 per cent of the army's members believe the army has been forced down and that the Irish has been false to the republican oath by agreeing to accept the inclusion of Ireland within the British empire.

(By the Associated Press.)

London, March 22.—The situation on the border between Ulster and southern Ireland is going from bad to worse, and is such that some trifling incident may draw the rival forces into a general battle, which would all prospects of peace in Ireland said the Dublin correspondent of the Times.

The correspondents adds that the sentence meted out to captured raiders have added to the trouble, being given to be hanged. And besides they intended to degrade the captives while the incidents in Belfast add fuel to the anger.

(By the Associated Press.)

Belfast, March 22.—Desultory firing continued on the border between Ulster and southern Ireland is going from bad to worse, and is such that some trifling incident may draw the rival forces into a general battle, which would all prospects of peace in Ireland said the Dublin correspondent of the Times.

The Ulster border commissioner visited last evening the locality where the sniping activities were in progress and heard the shooting going on during the visit to Ballish bridge, which divides the two counties while Captain Thompson and Head Constable McIlroy of the Ulster constabulary, reconnoitering near the border became targets for the snipers on the other side.

The Washburn college quartet and the orchestra from the State Boys' Industrial school furnished music for the program.

The Co-ops will attend in a body the show to be staged Thursday night by the State Boys' Industrial school at the city auditorium.

New York, March 22.—Frank Dunbar arrested here today charged with having narcotics in his possession illegally, told detectives that he was at one time one of the best known jockeys on American race tracks. The officers declared they found Dunbar smoking an opium pipe, and that in his room were found raw opium and smoking paraphernalia.

"Five years ago," the prisoner said when the detectives were gathering up evidence about the room, "I won the \$10,000 futurity race at New Orleans. I began as a stable boy for H. P. Whitney, and then went with the Keen stable."

"In 1917," he continued, "I rode in Oakland, Cal., and there I learned to 'hit the pipe.' My last race was run in Montreal last summer. Among the famous horses I rode were Song and Wine, Blue Bennett, Mrs. Price, and Katie K."
